The training shall be imparted within 10 days of installation of the equipments at the final place of delivery.

20) PAYMENT TERMS:

- a) Payment shall be made upon satisfactory supply, testing, installation commissioning of the machineries and after being duly accepted and certified by the concerned officers. If after supply, it is discovered that the items supplied are not exactly according to the specification / quality mentioned, such supply will be rejected at the supplier's cost. The decision of ARIAS Society on quality & specifications shall be final and no disagreement from the supplier shall be entertained.
- b) All payments to the successful bidder shall be made by Account Transfer only.
- c) All taxes (GST, etc.) shall be dealt with as per the government laws
- d) No advance payment shall be made.

21) LIQUIDATED DAMAGES: The liquidated damages per week or part thereof for failure to supply shall be 0.5% of the contract value. If the liquidated damages amount reached to 10% of the contract value, the supply order shall stand cancelled and Performance Guarantee of the supplier shall be forfeited.

22) TERMINATION: The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate the Contract in whole or in part:

- a) if the Supplier fails to deliver any or all of the Goods within the period specified in the Contract, or within any extension thereof granted by the Purchaser;
- b) if the Supplier fails to perform any other obligation under the Contract; or
- c) if the Supplier, in the judgment of the Purchaser has engaged in fraud and corruption in competing for or in executing the Contract.

23) SETTLEMENT OF DISPUTES: The contract shall be governed by the laws in force in India. In the event of any dispute arising, such dispute would be subject to the courts in Guwahati only.

24) FORCE MAJEURE:

- a) The bidder shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure. For purposes of this Clause, "*Force Majeure*" means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- b) If a Force Majeure situation arises, the bidder shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
